SUMMARY

Information technology professional with 15+ years of experience managing LINUX/UNIX operating systems and building robust infrastructures in production environments for large companies, including banks, mining, and telecommunications. Skilled in detecting and resolving system issues efficiently, I lead teams toward creating stable, scalable environments that drive customer satisfaction.

EDUCATION

Universidad Nacional de la Matanza

Computer Science & Engineering Degree
2003 – 2011

SKILLS

- **Operating Systems:**
  - **Linux**: RHEL, Debian, SLES, Oracle Linux
  - **Unix**: Solaris, HPUx, AIX
  - Windows Server
- **Cloud Platforms**: Azure, Google Cloud Platform, AWS, Docker, OpenShift, Kubernetes
- **Programming Languages**: Python,Bash, PowerShell,Golang
- **Infrastructure as Code:** Terraform, Ansible.
- **DevOps Tools:** GitLab CI, GitHub Actions, Prometheus, Grafana, Datadog
- **Databases:** MySQL, Postgres, SQL Server.
- **Soft Skill:** Troubleshooting, Teamwork, Leadershio, Results oriented.
- **Languages**: *Spanish*, native. *English*, Fluent.

PROFESSIONAL EXPERIENCE

Senior Platform Engineer

GoodHabitz | 2022 - Present

Designed and deployed GCP infrastructure, led service migrations, and developed pipelines and tools to streamline developer workflows. Managed observability, monitoring, and maintained a robust hybrid on-prem/multicloud environment.

SRE / Unix Team Leader

Synchro Technologies | 2018 - 2022

Designed and implemented infrastructures and architectures, collaborating with development teams on containerized applications. Led a team of 4, driving automation, DevOps, and SRE practices for over 20 clients.

Unix Technology Conultant

Synchro Technologies | 2010 - 2018

Provided technical consultancy, troubleshooting, and training on Linux/Unix systems in large-scale production environments. Drafted pre-sales proposals and trained new sysadmins.

Unix Technology Administrator

Synchro Technologies | 2007 - 2010

Manage Linux, Solaris, HPUX systems, installations, migrations, and monitoring.

CERTIFICATIONS

- Red Hat Certified Engineer (RHCE)
- Red Hat Certified System Administrator (RHCSA)
- Red Hat OpenShift Administration I

ACHIEVEMENTS

- Built and deployed GCP infrastructure from scratch for scalable cloud operations. GoodHabitz, Netherlands
- Datacenter migration to AWS. *Allianz, Argentina.*
- Architecture Design and Implementation for microservices infrastructure in the cloud. *Ecogas, Argentina.*
